

# Tristan Daty

I am a Senior at Niwot High School that is taking advanced courses while satisfying customers at a community-based job. I also worked at a guitar store and am experienced around music gear and professional standards. I have maintained over a 4.0 GPA throughout high school and have interned in sound production under Edward Kean. I personally aspire to go to post secondary school for recording engineering/sound production and have experience for guitar, bass guitar, piano, and drums by taking lessons.

## EXPERIENCE

### Employee at St. Vrain Market, Lyons

Oct. 2023 - PRESENT

Served members of my community by making them sandwiches, wrapping fresh cut meats, cleaning, and managing the register. This position has required me to be highly sociable and kind to every person that came through. I met many people from many backgrounds and made it my goal for them to feel welcomed and satisfied with our services.

### Maintenance and Cleaning at Guitars Etc, Longmont

Mar, 2024 - Jul. 2024

Maintained and cleaned a large sales floor as well as all of the instruments on the floor. Kept the image of the store presentable throughout a very busy season to better the customers' experience and improve their satisfaction with the experience.

## EDUCATION

### Niwot High School, Niwot

Aug. 2022 - Present

Attending Niwot High school with Honors, Advanced Placement, and International Baccalaureate courses and studying at the Saint Vrain Valley School District's Innovation Center. Took art and music classes during the school year and additional ones during the summer as well as participating in multiple clubs while keeping my GPA above a 4.0

## INTERNSHIP

2024 - Present; intermittently

### Sound Engineer Assistant at Planet Bluegrass, Lyons

Learned and aided under Edward Kean to put on Lyon's Community Theater's rendition of Harvey and Scrooge! The Musical. This included several days of rehearsal and mixing as well as learning how to use lavalier microphones and stage/venue lights. Additionally there was a Christmas Eve service I helped Mr. Kean with which required setting up microphones and channels for a full band with multiple singers in one day as well as communicating between the musicians and the production. During the festival season I assisted similarly with an open mic four nights in a row for a songwriting workshop followed by three days working one of the stages during Folks Festival which draws thousands in attendance.

## SKILLS

Teamwork and Management

Multitasking

Motivated and Friendly  
Attitude

Ableton Live Proficiency

Mixing/Recording

Stage production
